November 30, 2015

Issue 48

*Illinois Regulation is a summary of the weekly regulatory decisions of State agencies published in the Illinois Register and action taken by the Illinois General Assembly's Joint Committee on Administrative Rules. Illinois Regulation, also titled The Flinn Report in memory of founding JCAR member Rep. Monroe Flinn, is designed to inform and involve the public in changes taking place in agency administration.*

## Proposed Rulemaking

### ■ REAL ESTATE

The DEPARTMENT OF FINANCIAL AND PROFESSIONAL REGULATION proposed amendments to the Part titled Real Estate License Act of 2000 (68 IAC 1450; 39 Ill Reg 15183) implementing numerous updates and statutory changes. The rulemaking removes obsolete references to salesperson licenses, updates the broker and managing broker designations, and updates continuing education requirements for transferring licensees. These amendments

also implement Public Act 98-553, which creates a new certification for real estate auctioneers and distinguishes between those who may actually sell or lease real estate at auction and those who merely cry or call real estate auctions. Real estate agents, auctioneers and their employers will be affected by this rulemaking.
